Three organizations—T. Gilbert Pearson Audubon Society, Piedmont Bird Club, and the Native Plant Society—joined the City of Greensboro for a gardening workday at the Bird, Bee, & Butterfly Pollinator Garden at Woven Works Park on Saturday, September 12th, from 8–10 a.m. Special thanks to those who were able to come out—what an impressive pile of debris!

Since this event is outside, it is a great way to follow social distancing guidelines, and have some fun. Everyone is offered a chance to chat with fellow birders and outdoor enthusiasts and learn about native plants that you can plant in your own yard to attract our pollinator friends.
