

Holiday Dinner and Members' Slide Show December 12, 2017

Submitted by Stella Wear, Social Committee Chair

Fifty-five PBC members and their guests gathered to celebrate the holidays on Tuesday, December 12, 2017 at White Stone (700 South Holden Road, Greensboro). Everyone enjoyed an amazing catered dinner of pork loin with apples, salmon a la Ritz, green beans, squash medley, sweet potato casserole, and cheesecake mousse-filled cake.

After dinner, we were entertained and educated by a favorite annual event, the members' slide show. We were treated to exciting photos of birds from local backyards, from other places around North Carolina, from other states, and even from other countries. Thanks go to Dennis Burnette, Julien McCarthy, Cynthia Soemita, Ann Van Sant, Emily Tyler, and Tom Wear for sharing their excellent photography. Tom's presentation about the building of the Chimney Swift tower that is located at Marie Poteat's property enlightened us on the trials and daring feats needed to accomplish such a project.

The closing activity was drawing for door prizes where everyone won something special to take home. Many of our prizes were donated by Victor Cutter from his mother and sister's estate. Our members and Victor were so generous with their donations for door prizes that it was hard to decide what to choose. Table decorations were donated by Lyn McCoy and Lynn Burnette.

Social Committee members are Lynn Burnette, Becky Floyd, Julien McCarthy, Lyn McCoy, Phyllis Thomas, and Stella Wear.
