Submitted by Matt Wangerin

Members of the Piedmont Bird Club joined Forsyth Audubon on the grounds of Reynolda for an excellent bird walk. The gentle walk through the preserved property exhibits marsh, secondary growth, woodland and field habitats, so the species list was diverse. Taking advantage of fall migration through the Piedmont, trip leader Nathan Gatto helped the group observe 40 bird species.

Bird List

Canada Goose 8
Red-shouldered Hawk 1
Mourning Dove 2
Chimney Swift 4
