Comments: (such as, notable birds seen, interesting bird or animal behavior, condition of the birding site, participant comments):

It was an excellent day for a Bird Walk. The birds were a bit vocal but active. A few of the highlights were the 2 Wilson's Snipes, the 4 American Kestrels, the 5 Savannah Sparrows, and the large flock of over 300 Brown-headed Cowbirds. All in all a great day.
